  - Recess coverage is only necessary for 1 lunch, but a bonus for 2 lunches.
  - Mr. Carter suggested sidewalk chalk or some other signage for the week.
  - Current massage therapist may not be available. PTO requested contact information for other therapists who might be interested.

- End of Year Family Picnic - the PTO is planning an inflatable obstacle course, with a potluck and fried chicken meal. Mr. Carter will determine the date and notify the PTO.
- Pastries for Parents. There is interest in bringing Pastries for Parents back to Banneker for the spring as a potential outdoor activity. Mr. Carter is interested in having a separate Donuts for Dads event. With two events that require donations planned closely together, there may be a need to designate funds for one event. Mr. Carter will review options and let the PTO know.
- SOLS will be the last 2 weeks in May/first week in June.
- Spirit Night - Monks/Tipped Cow at the end of April. Exact date TBD.
- 5th Grade end of the year plans:

Paid deposit for Camp Highroad

Blue Ridge t-shirts? Price for shirts is economical, but Mr. Carter wants to think more about whether to purchase. Need a due date for order.

Date for Blue Ridge orientation.

Baltimore trip - Mr. Carter/Cornell are working on possible dates, but the cost to rent a bus is extremely high.

Pool party - Possibly 6/15? Mr. Carter to determine date. M. Tuttle suggested having the party at Foxcroft. PTO will reach out to Meghen for more information.

- Families are interested in working together to change Banneker's revised start time for 2022-2023 especially in light of the consideration of making daylight saving time permanent. Scott Davies at transportation is the correct contact for inquiries.
